# ***Practical Application of the FIDIC 2017 Editions Providing Essential Contractual Know-How as to the use of these FIDIC Contracts***

---

## **OVERVIEW**

The 2017 2<sup>nd</sup> Edition FIDIC Conditions of Contract whilst based upon the 1999 1<sup>st</sup> Edition Contracts are substantially changed, with an increase in text of 80% and much of the retained 1999 Contract text amended.

Because of these changes, ECV has created a new course that will enable delegates to understand how these changes affect the use of the Contracts. The course is designed in typical ECV style, to be very interactive between the tutor and the delegates. Work exercises are used in each of the courses 8 sessions. The course will concentrate on the Red & Yellow Books but reference will be made to the Silver Book.

Knowing the 1999 Contracts is helpful but the 2017 editions may be considered as new Contracts requiring independent study which this course provides.

**FIDIC 2017 Contracts now adopted by major MDB's World Bank;  
Asian Development Bank: African Development Bank**
